## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Lead the Way Fund, Inc.

We have audited the accompanying financial statements of Lead the Way Fund, Inc. (a non-profit organization), which comprise the statements of financial position as of June 30, 2014 and 2013, and the related statements of activities, statements of functional expenses and cash flows for the years then ended and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors  
Lead the Way Fund, Inc.

## NOTES TO FINANCIAL STATEMENTS

### 1. Nature of the Organization:

**Nature of organization:** Lead the Way Fund, Inc. (the Organization) is a not-for-profit organization that was established in 2007 to raise funds in support of families of U.S. Army Rangers who have died, have been disabled or who are currently serving in harm's way around the world. The funds raised by the Organization provide the spouses and children of deceased, disabled or active duty Rangers with assistance for health and wellness programs and other financial aid programs.

The nature and purpose of the Organization's primary program services are as follows:

**Gold Star Wives with Dependent Children Program:** When a Ranger has paid the ultimate sacrifice, whether in combat or in training, Army Ranger Lead the Way Fund believes there is a normal obligation to support the dependents of these heroes. The program ensures that the essential necessities of the families go uninterrupted.

**Wounded Ranger Recovery Program:** The Organization, in connection with USSOCOM and Unit Command, assists the identified wounded ranger and his family with financial support and other services determined to be vital and necessary during the acute phase of his recovery. The funds that we provide are not available through the United States Government.

**Ranger and Family Health and Wellness Programs:** The Family Readiness Groups (FRG's) help families enhance their quality of life and well being by providing information, offer support and outreach, promote involvement and solidarity among the Ranger families. During times of deployment, the FRG's identify the needs of family members and provide information and referral assistance.

**Ranger Chaplain Special Programs:** These programs identify and allow us to provide grants to support single and married Rangers and/or their families with the sole purpose of preserving this extremely pressured force. Through these programs, Army Ranger Lead the Way Fund provides enrichment funds to be used for family activities such as Support Groups for Spouses of the Deployed, Marriage Enrichment Training, child care and events for our single Rangers.

### 2. Summary of significant accounting policies:

**Basis of presentation:** The Organization's financial statements have been prepared using the accrual basis of accounting. As required under accounting principles generally accepted in the United States of America, the Organization's financial statements distinguish between

# Lead the Way Fund, Inc.

## NOTES TO FINANCIAL STATEMENTS

### 2. Summary of significant accounting policies:

#### Basis of presentation (continued):

unrestricted, temporarily restricted and permanently restricted net assets. The Organization's net assets consist of the following:

**Unrestricted** - Net assets of the Organization, which have not been restricted by an outside donor or by law and, therefore, are available for use in carrying out the operations of the Organization. As described in Note 4, the Board of Director's (the Board) designated, as of June 30, 2014 and 2013, \$5,128,958 and \$3,200,090, respectively, of its cash and investment balance as a Board designated - endowment fund, which is included in unrestricted net assets. The purpose of the fund is to help accomplish the long-term goals of the Organization. Restricted funds, whose restrictions are met in the same reporting period, are reported as unrestricted support.

**Temporarily restricted** - Net assets of the Organization which have been limited by donor imposed stipulation or by law that either expire with the passage of time or can be fulfilled and removed by the actions of the Organization pursuant to those stipulations. At June 30, 2014, there were no amounts considered temporarily restricted net assets to be used for the establishment of a children's initiative program. At June 30, 2013, there was \$6,000 in temporarily restricted net assets for that purpose.

**Permanently restricted** - Net assets of the Organization, which donors have stipulated, are to remain intact so that only the investment income can be utilized for operating purposes. At June 30, 2014 and 2013, there were no amounts considered to be permanently restricted net assets.

**Contributions:** As prescribed by accounting principles generally accepted in the United States of America, contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence or nature of any donor restrictions. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are received. Restricted net assets are reclassified to unrestricted net assets upon satisfaction of the time or purpose restrictions.

A significant portion of the Organization's revenue is derived from an annual fundraising event. The Organization received approximately \$1,937,524 from the Gala held in May, 2014. In the prior year, the Organization received approximately \$313,000 from the golf outing held in September 2012.

## NOTES TO FINANCIAL STATEMENTS

### 2. Summary of significant accounting policies (continued):

**Contribution of materials and services:** The Organization benefits from contributed materials attributable to special events and programs. Various non-cash contributions are recorded at their estimated fair values at the dates of donation.

Donated services are recognized in the financial statements at their fair market value if the following criteria are met:

- The service requires specialized skills and the services provided by individuals possessing those skills.
- The service would typically need to be purchased if not donated.

For the years ended June 30, 2014 and 2013, the Organization received donated legal services with an estimated fair value of \$84,271 and \$-0-, respectively, which are reflected as contributions in the Statements of Activities and an expense in the Wounded Ranger Recovery Program services within the Statements of Functional Expenses.

In addition, the Organization receives contributed services of volunteers that do not meet the criteria for recognition. Accordingly, the value of these contributed services has not been reflected in the accompanying financial statements.

**Cash and cash equivalents:** The Organization considers all highly liquid debt instruments purchased with maturities of three months or less to be cash.

**Concentrations of credit risk:** The Organization's financial instruments that are exposed to concentrations of credit risk consist primarily of cash deposited in financial institutions. The Organization deposits its cash with high credit quality institutions. At times, such amounts may be in excess of the Federal Deposit Insurance Corporation (FDIC) and Securities Investor Protection Corporation (SIPC) insurance limits.

**Fair value measurements:** As required by accounting principles generally accepted in the United States of America, the Organization reports the fair value of assets and liabilities based on established fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

# Lead the Way Fund, Inc.

## NOTES TO FINANCIAL STATEMENTS

### 2. Summary of significant accounting policies (continued):

#### Fair value measurements (continued):

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical investments that the Organization has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the investment, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the investment.

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

**Contributions receivable and allowance for doubtful accounts:** Contributions receivable are stated at unpaid balances, less an allowance for doubtful accounts. Contributions receivable normally consists of special event and other fundraising activity income. Bad debts are recognized on the allowance method based on historical experience and management's evaluation of outstanding receivables. Receivables are considered impaired if full principal payments are not received in accordance with contractual terms. The allowance for doubtful accounts was \$-0- for the years ended June 30, 2014 and 2013, based upon management's estimate of collectability.

**Investments:** In accordance with generally accepted accounting principles in the United States of America, the Organization's investments in marketable securities with readily determinable fair values are reported at their fair values in the Statements of Financial Position. Realized and unrealized gains and losses are included in the change of net assets. Investment income and gain restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by the passage of time or by use) in the reporting period in which the income and gains are recognized.

The Organization maintains its investments with reputable financial institutions. At times, the Organization's investments may be in excess of the FDIC and SIPC insurance limits.

**Property and equipment:** Property and equipment are stated at cost at date of acquisition or, if donated, at the estimated fair value at the date of donation. The Organization's policy is to capitalize all property and equipment with a cost of \$1,000 or more. Depreciation is being provided on the straight-line method over the estimated useful lives of the assets. The useful lives of the assets are as follows:

# Lead the Way Fund, Inc.

## NOTES TO FINANCIAL STATEMENTS

### 2. Summary of significant accounting policies (continued):

#### Property and equipment (continued):

<u>Classification</u>	<u>Years</u>
Furniture and fixtures	5
Equipment	5
Other	3

Repairs and maintenance charges, which do not increase the useful lives of assets, are charged to operations as incurred and betterments that materially prolong the useful life of the assets are capitalized.

**Use of estimates:** The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Functional expense allocation:** The cost of providing various program and supporting services have been summarized on a functional basis in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among program and supporting services benefited.

**Income taxes:** The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and, therefore, has made no provision for federal income taxes in the accompanying financial statements.

The Organization adopted requirements for accounting for uncertainty in income taxes in accordance with accounting standards. As of June 30, 2014 and 2013, the Organization does not believe it has any uncertain tax positions that would require either recognition or disclosure in the accompanying financial statements. Additionally, the Organization's 2010 to 2012 tax returns are still subject to potential examination by the Federal and New York State taxing authorities.

The Organization recognizes interest accrued related to unrecognized tax benefits in interest expense and penalties in general and administrative expenses. During the years ending June 30, 2014 and 2013, the Organization did not recognize or accrue any interest or penalties related to unrecognized tax benefits.

**Advertising:** Advertising costs are expensed as incurred.

## NOTES TO FINANCIAL STATEMENTS

2. **Summary of significant accounting policies (continued):**

**Reclassification:** Certain amounts in the June 30, 2013 financial statements have been reclassified to conform to the June 30, 2014 presentation. The reclassification had no impact on net assets and net income as previously reported.

**Subsequent events:** Subsequent events have been evaluated by management through October 21, 2014, which is the date the financial statements were available to be issued.

3. **Investments:**

Investments measured at fair value on a recurring basis as of June 30, 2014 and 2013 are as follows:

<u>2014</u>	<u>Cost Value</u>	<u>Quoted Market Prices in Active Markets (Level 1)</u>
Unrestricted:		
Equities	\$ 932,216	\$1,081,334
Fixed-income	462,675	468,013
Non-traditional	501,033	508,160
Mutual funds	3,364	4,600

Equities	\$29,355	\$62,129
Mutual funds	2,285	2,688
Total	<u>\$31,640</u>	<u>\$64,817</u>

The financial assets and liabilities valued using Level 1 inputs are based upon quoted market prices within active markets. There were no assets or liabilities measured using Level 2 or Level 3 inputs. Valuation techniques utilized to determine fair value are consistently applied.

### 4. Board designated - endowment fund:

As of June 30, 2014 and 2013, the Board designated \$5,128,958 and \$3,200,090, respectively, of unrestricted net assets as a general endowment fund to support the mission of the Organization. Since that amount resulted from an internal designation and is not donor-restricted, it is classified and reported as unrestricted net assets.

At this time, it is the Organization's policy to let earnings in the endowment to accumulate. Any amounts distributed from the endowment fund must be Board approved. In establishing this policy, the Organization considered the long-term expected investment return on its endowment. It is the Board's objective for the endowment assets to attempt to provide a predictable stream of funding to the Organization's programs while also maintaining the purchasing power of the endowment assets as well as to provide additional real growth through investment return.

### 4. Board designated - endowment fund (continued):

To achieve that objective, the Organization has adopted an investment policy that attempts to maximize total return consistent with an acceptable level of risk. Endowment assets will be invested in a well diversified asset mix, which will include equity and debt securities, that are intended to result in a consistent inflation-protected rate of return that has sufficient liquidity. Investment risk is measured in terms of the total endowment fund, investment assets and allocation between classes and strategies are managed to not expose the fund to unacceptable levels of risk.

Composition of and changes in endowment net assets for the years ended June 30, 2014 and 2013 were as follows:
